Prestige

Uniworld's all-riverview staterooms and suites are decorated by the renowned interior design team of the award-winning Red Carnation Hotel Collection while gourmet cuisine is prepared by international chefs from London's five-star Meridian Piccadilly and Relais & Châteaux Hotels. Added high-end amenities such as L'Occitane bath products, thick towels from Christies of Manchester and cozy bathrobes can be found throughout the entire Uniworld fleet.

New Ships

Three new ships will be launched in 2011 with the first being *River Antoinette* in March 2011 along the Rhine River. The other two ships will be *Douro Spirit* which sails Portugal and Spain's Douro River Valley, and *River Victoria* along Russia's Volga River. Uniworld's entire European fleet will have been completely remodeled between 2009 and 2011.
