Day 1 : Arrival in Bali – local Homestay

Upon arrival in Bali International Airport, tour guide of our land operator will welcome you and escort you to the vehicle for transfer to Homestay in Munduk village (located in north Bali, it's about 2,5 hours drive). Upon arrival, a refreshment will provide before the group get their room allocation. After check in, free program or short tour to visit surrounding village.

In the night, welcome dinner will provide with Balinese dance performance.

Meal: Lunch | Dinner

Day 2 : Trekking / village daily life – Batur Geopark overnight camp

After early continental breakfast at 6:30 am, we will escort you to do short trekking with local guide toward the coffee plantation and rice field could be something

different furthermore, involve with them in traditionally coffee/rice cultivating process up to planting coffee and rice is amazing experience in your life.

After that get the feeling interaction with the kids in the atmosphere of teaching and learning process upon visiting a local elementary school (subject to school holidays), experience to be simply teacher by introducing your home country and language through a short sing and song.

Enjoy a Balinese traditional lunch will be served before you leave the village and transfer to Kintamani (Batur Geopark) for about 2,5 hours drive from the village. Arrive at Kintamani you will escort to camp area at the lakefront of Batur lake can accommodate up to 40 tents ranging from double occupancy, 2 rooms and 3 rooms units. After check in, student can also

swim in warm Olympic size pool or just soak in the smaller hot pools that naturally sourced from Mt. Batur hot spring. At night, we will make campfire, while we enjoying BBQ dinner with special menu, a fish from lake Batur which called "Mujair", served with white rice and locally grown vegetables. After dinner is free program.

Day 3 : Trunyan Tour – Batur Geopark museum – Kuta

After breakfast, we will have short visit to Trunyan village, this village is another ancient village inhabited by people who call themselves the "Bali Aga" or old Bali who live in ways that are vastly different from other Balinese. Here, you can see that the

body dead person is not buried like the rest of Balinese, but just put on the narrow spot of land on the foot of hill and just exposed to the atmosphere until the whole flesh dissolve from the body and left only the bones.

There is really strange that the exported dead body is not radiation bad smell. After see the

cemetery, back to hotel and having lunch and rest for a while (student can also swim in warm Olympic size pool or just soak in the smaller hot pools).
In the afternoon check out and visit Batur Geopark museum before we escort you to Kuta area. Arrival in Kuta, check in Hotel then having dinner at Jimbaran bay for BBQ seafood dinner.
After dinner free program.
